

CHASE RIVER ELEMENTARY PAC
WEST COAST SEEDS FUNDRAISER
JANUARY 2022

As the days start getting longer and spring approaches, gardeners start sowing for the next growing season. The PAC is launching the fundraiser again for the green thumb or anyone really, who wants to enjoy the magic of growing from seed.

West Coast Seeds, a local BC Company, located in the lower mainland is offering 65 different packets of seed to purchase. For every \$10 spent \$4 will remain in the school to provide enhancements in learning in classrooms.

You can order and pay online [About West Coast Seeds – WCS Fundraising](#) or fill out order sheet (available at the office) and bring payment to school. Please make cheques payable to Chase River Elementary PAC.

Any questions feel free to email chaseriverPAC@gmail.com or call/text 250 618-5660. Thank you for supporting this campaign, Lea Godfreyson.

ALL ORDERS DUE BACK BY JANUARY 21st
